

GO PUBLIC Awards

ESN Lithuania in cooperation with Education Exchanges Support Foundation announces a contest for the best of the bests of the year 2011 in ESN Lithuania. Ten sections, more than three hundred volunteers and whole year full of activities. It is your time at last to become seen enough, appropriate appreciated, respected and rewarded for all the things you have done. For the things you put so much effort into.

Five nominations, respectable commission and grand event then the winners will be announced.

Nominations

-  **Best event.** If you have organised an event, which has attracted a lot of attention and words about how wonderful it was are still reaching you and all the participators ask when we are going to have the next one event like this, do not miss your chance and apply for the Best Event of the year 2011 in ESN Lithuania.
-  **Best social project.** Reach higher! Go further! Go Social! There is no day for you and your teams when you stop thinking about ideas how socially improve our community? You already realized some of them? Then write for us, share your results and win prizes.
-  **Best picture.** During the 365 days of the year, when there is always a camera in your event, there are hundreds of photos remaining after every single evening you organise. Choose something unique, beautiful, containing no nudity or alcohol and share with us. Do not let to forget the most beautiful moments of the year 2011.
-  **Best new idea.** Your team is always full of new ideas and enthusiasm to realise them? Then you should have done something really fresh in the sky of ESN. Maybe it was totally new competition, excursion to unexplored land or you have done something so crazy we cannot even imagine? Let us know!
-  **Best best project.** Just then you create an event on Facebook there are more than 100 attendants. You have already stable partners and your projects is widely seen and heard. Media is writing about it and all the university or all the city knows about it. Even at least one of these things have happened to your project, apply for the Best BEST Project and let all the Lithuania know about it.
